

## How to: Create a Product Group

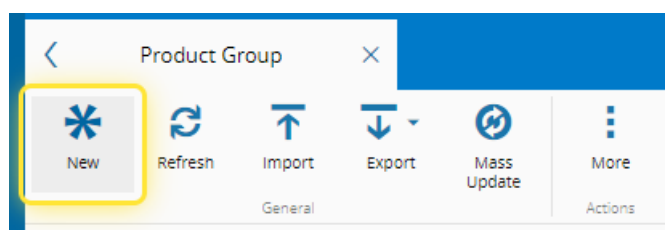

1. Go to the Business Data menu.

2. Select the Product Group Entity.

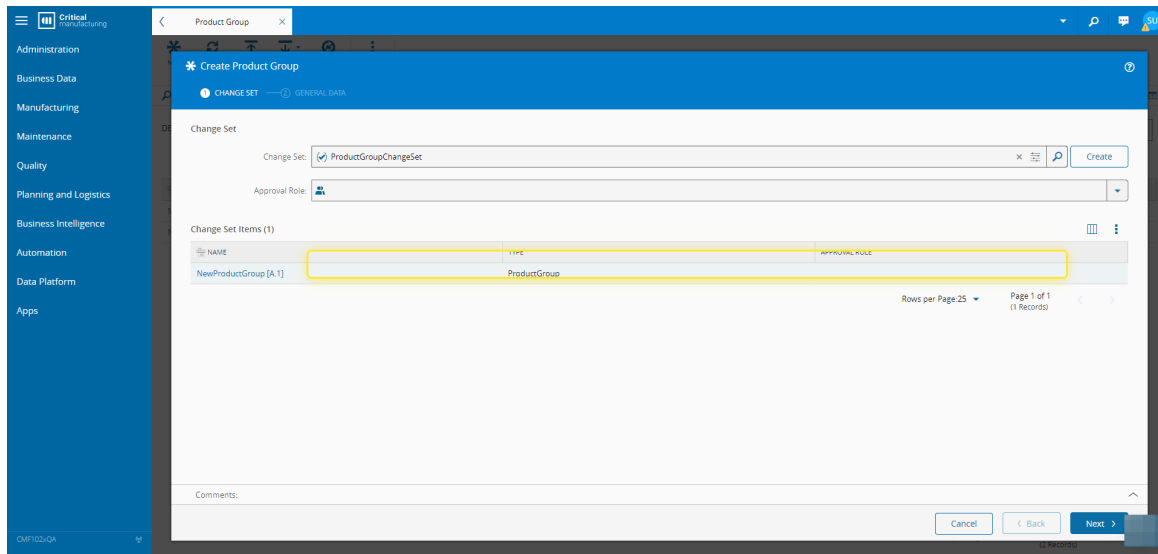

3. Select the New button.

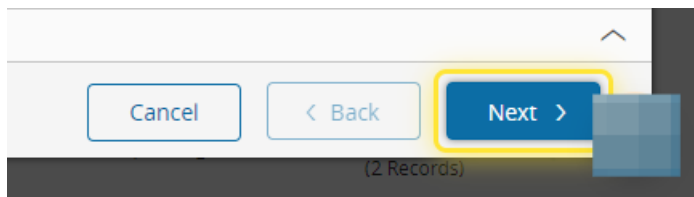

4. Under the Change Set tab, select an existing Change Set or Create a new one.

For more information, see [Create Change Set - Critical Manufacturing Documentation Portal](#)

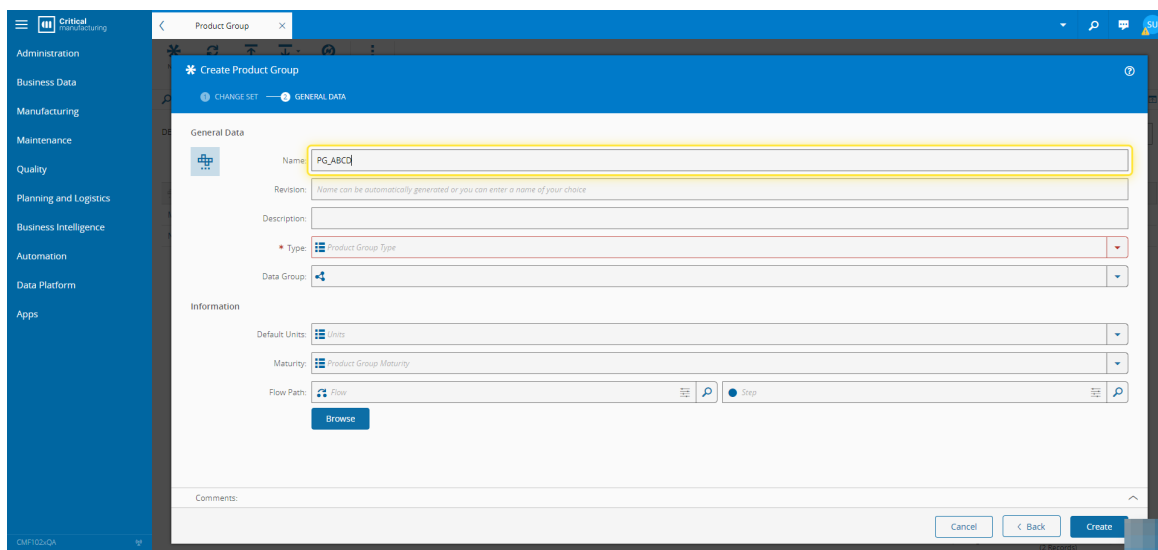

5. Select the Next button.

6. Under the General Data tab, complete the necessary fields.

For more information, see [Create Product Group - Critical Manufacturing Documentation Portal](#)

7. Select the Create button.

Product Group

### Create Product Group
