

How to: Create a BOM

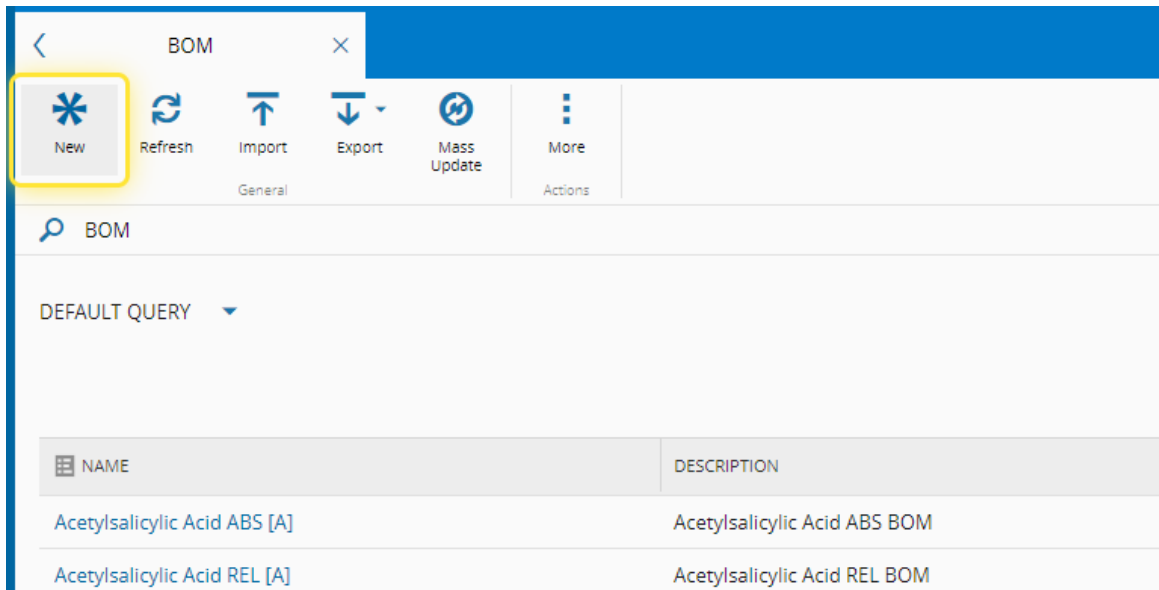

1. Go to the Business Data menu.

2. Select the BOM entity.

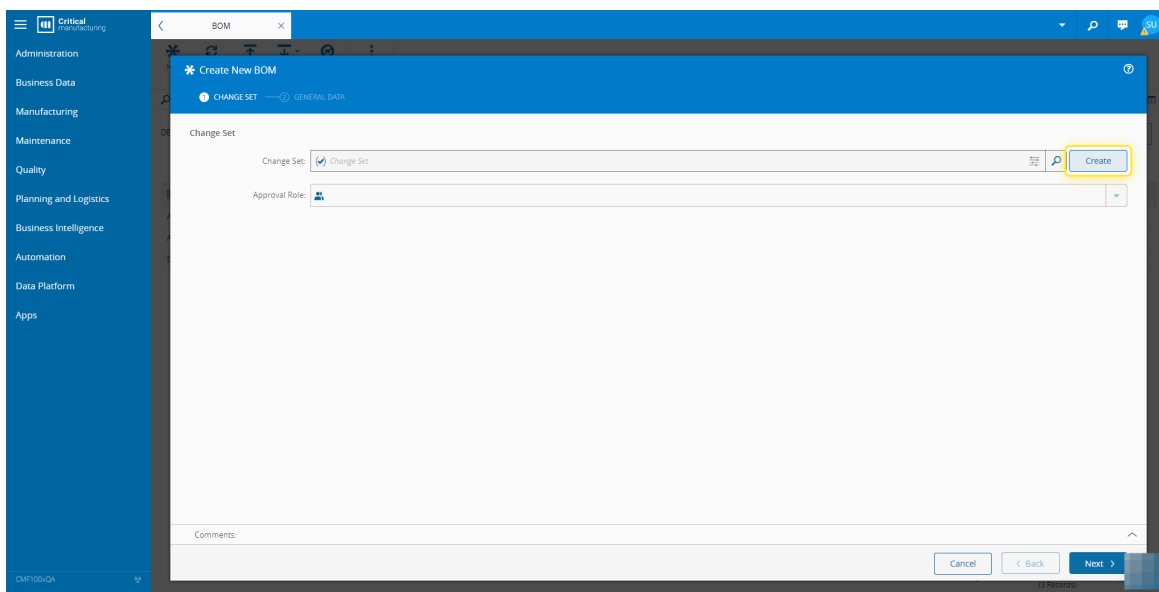

3. Select the New button.

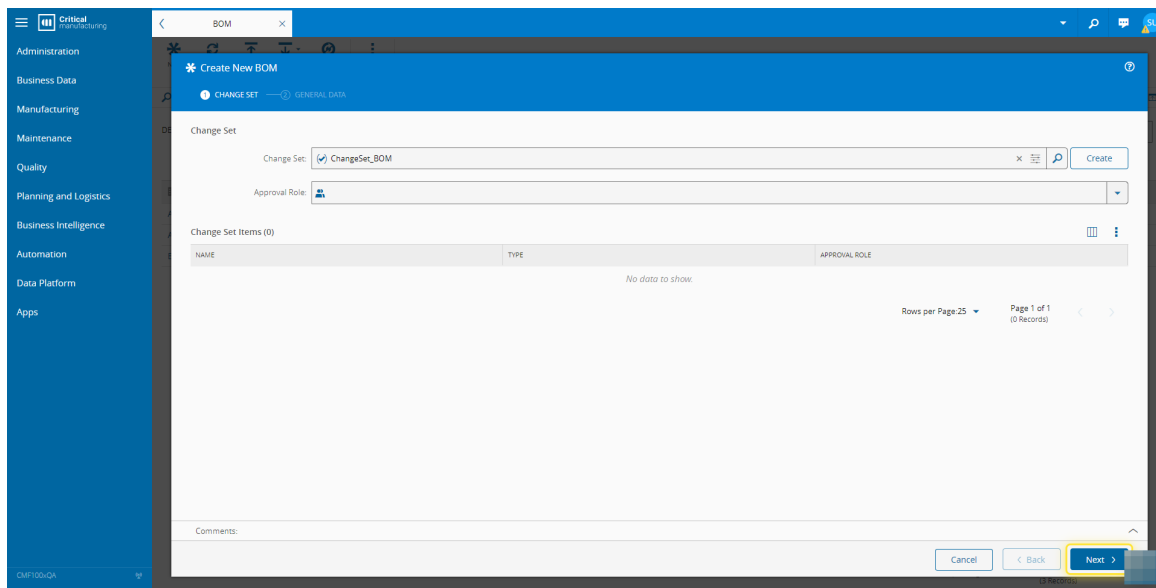

4. Under the Change Set tab, select an existing Change Set or Create a new one.

For more information, see [Create Change Set - Critical Manufacturing Documentation Portal](#)

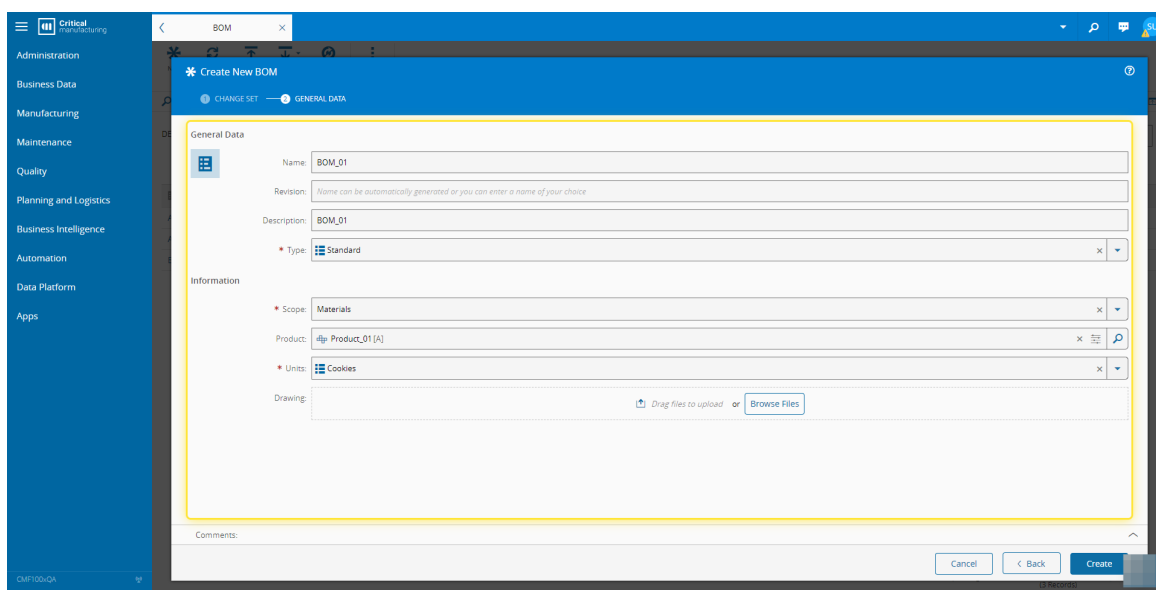

5. Select the Next button.

6. Under the General Data tab, complete the necessary fields.

For more information, see [Create BOM - Critical Manufacturing Documentation Portal](#)

7. Select the Create button.

For more information, see [Manage BOM Items - Critical Manufacturing Documentation Portal](#)

Create New BOM
