

How to: Create a Service

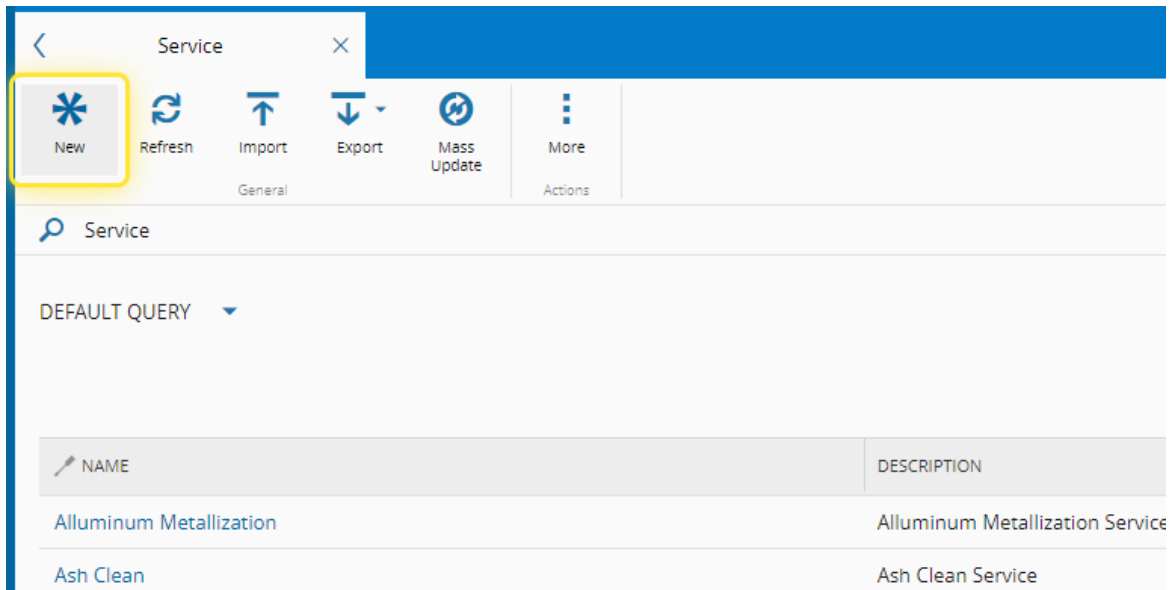

1. Go to the Business Data menu.

2. Select the Service entity.

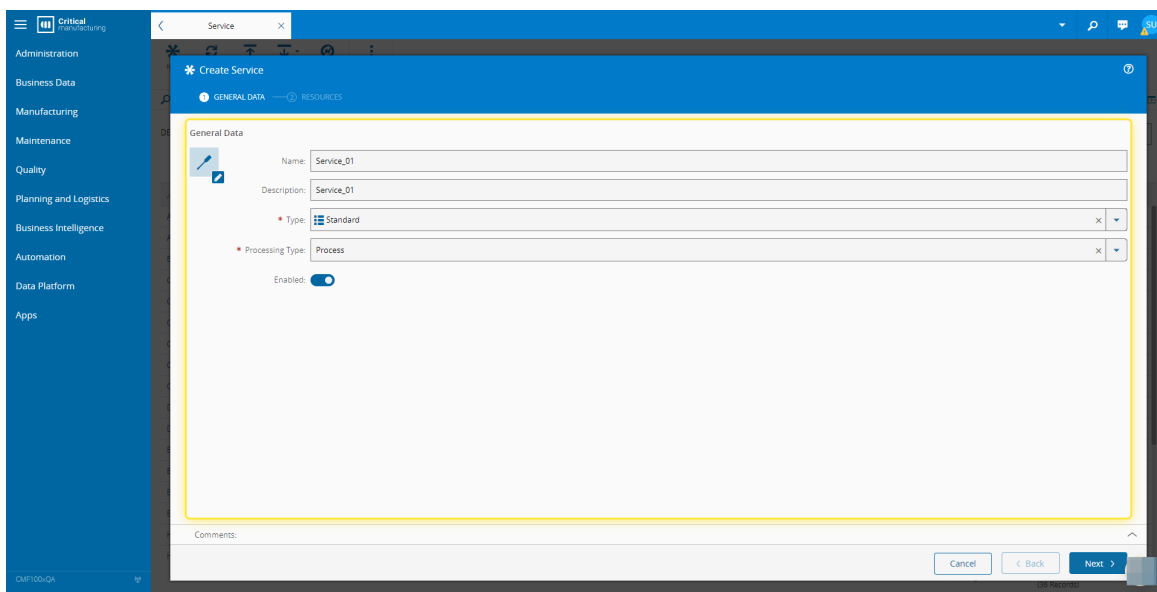

3. Select the New button.

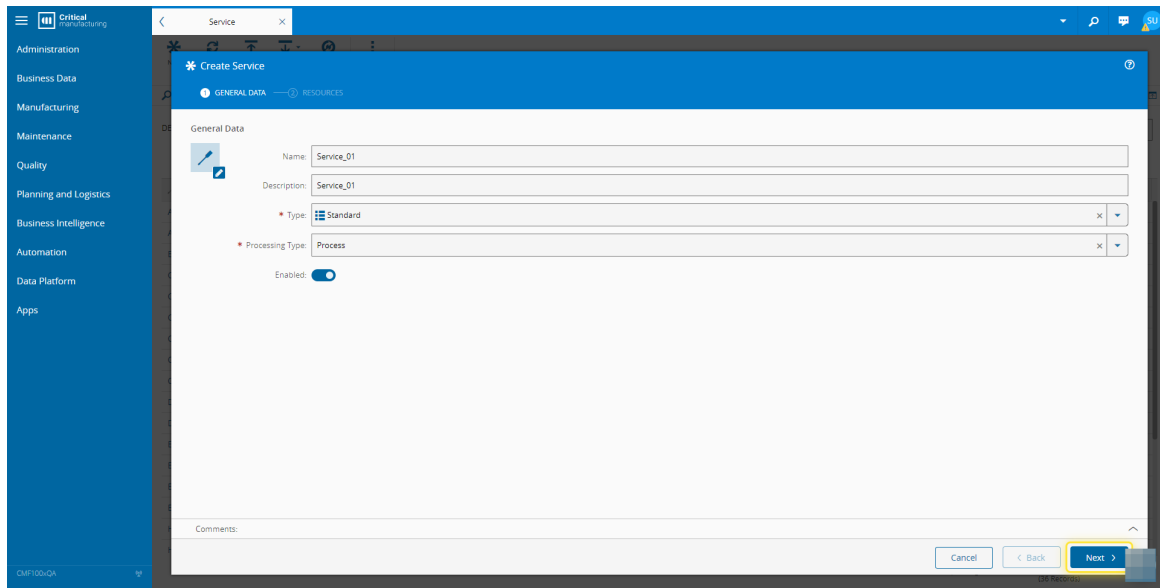

4. Under the General Data tab, complete the necessary fields.

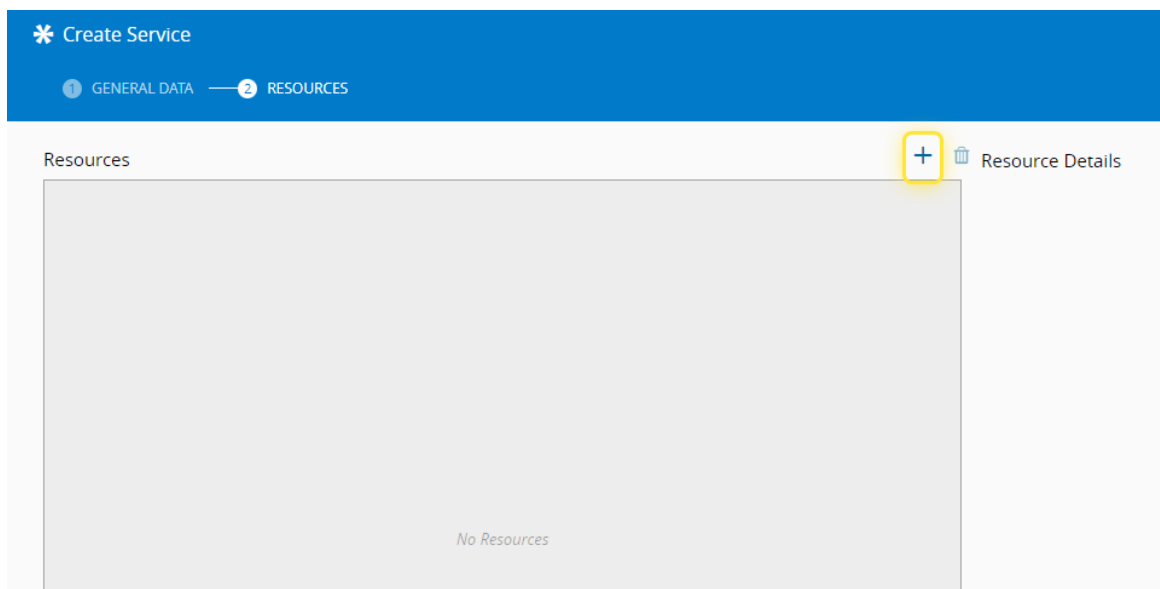

For more information, see [Create Service - Critical Manufacturing Documentation Portal](#)

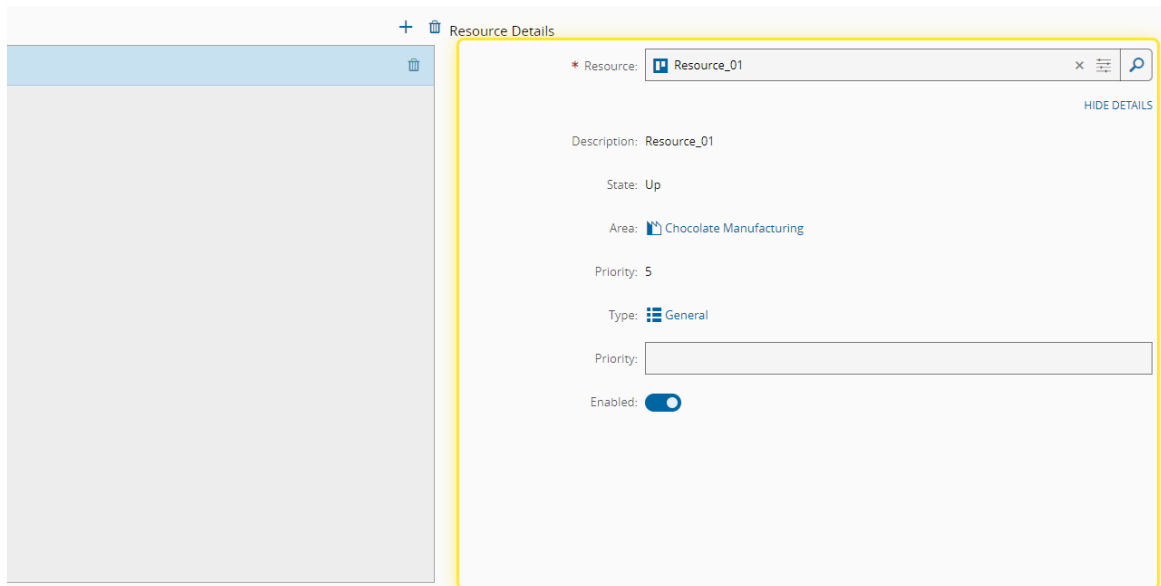

5. Select the Next button.

6. Under the Resources tab, select + to add Resources.

7. Enter the needed Resource Details.

8. Select the Create button.
