

How to: Add an object to the library in FabLive

1. Select the object.

2. Select Mesh Library.

3. Select the + in the Mesh Library panel to add a new object.

4. Give a name to the object.

5. Select Add.

The image shows a screenshot of a software interface. The main area is a large gray rectangle. In the bottom right corner of this rectangle is a small white box containing a blue plus sign (+) and a blue minus sign (-). Below the gray rectangle is a horizontal bar. On the right side of this bar are two buttons: a white button with the text "Cancel" and a blue button with the text "Add". The "Add" button is highlighted with a yellow border.
